

**For the Month of October
Pungo Pizza is Teaming Up With
The Pink Ride and Selling Paper Ribbons for \$1.**

The Pink Ride provides financial assistance for local breast cancer patients who are uninsured or under-insured with a focus on assistance with medical bills, including biopsies & treatment.

The Pink Ride is a 100% non-paid, volunteer-based, 501(c)(3) Charitable Organization. 100% of the net proceeds they raise goes directly to support local breast cancer patients and to raise breast cancer awareness throughout the greater Hampton Roads community.

**You can also join us on Monday October 15th as we
host a fundraiser to support local breast cancer patients.**

We will be donating 10% of the proceeds to

Dine In & Carry Out Orders.

**Please help us in smashing our goal of raising \$2,500.00
and know, that as you do, you're helping someone local.**
